Hi Jess,

Attached are the materials for the Public Hearings on FL's assumption request to be held on Wednesday October 21 and Tuesday October 27. My staff have and I have reviewed them and with the attached edits are fine with the materials. Most edits are just that, editorial in nature with clarification in the run of show in the background section to clarify EPA's role and use CWA terms. The ppt is pretty much logistical.

There are two things I want to bring to your attention:

1)

Ex. 5 Deliberative Process (DP)

2)

Please let me know if you have any questions. If possible the Region would like comments back by first thing tomorrow morning.

Thanks, Mindy

Hey Jess,

I understand that R4 sent you the draft materials. My staff is doing a review right now, so I will send you a revised draft to review shortly.

Thanks,
Mindy
